

I AM THE  
**FUTURE**

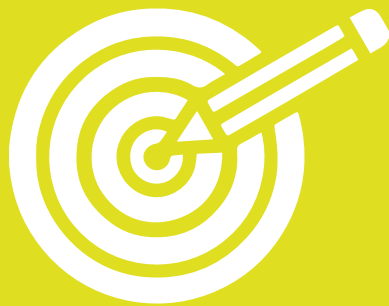

# Welcome to RBKEI

RBK Educational Institutions began in the year 2000 in Mira Road with a simple and honest goal of providing the finest education to the young learners. RBKEI Schools foster an exquisite academic involvement by encouraging learners to take initiative and become creative thinkers. Spanning across Pre K-12 years, RBKEI schools are designed around each learner's abilities and primarily work towards building core academic and personal skills.

Currently, over 10,000 students study with us in National and International Curriculum Schools across Mumbai and Gujarat. RBKEI's Olive Trails is a new-age preschool in Mumbai which focuses on play-based learning to imbibe curiosity and encourage cognitive, social, physical, and emotional skills in the kids.

The success of RBKEI schools can be ascertained by the achievements of our students every academic year and the happiness of our parent's community.

# Mission

Hanumant high school provides an enriching, caring, and stimulating learning environment in which each child will grow to his/her maximum potential. It caters to the need of today of creating international minded, inquiring and sensitized students. In addition to academic excellence, the students will enhance their life skills such as effective communication and cooperative teamwork. They will be independent, original thinkers with problem solving abilities so as to contribute to our country and the world.

# Vision

Hanumant high school aspires to educate global citizens who have the mindset to cooperate with the community to make this a better world through skills of creative thinking and problem solving. They will work diligently for the conservation of the environment and for the progress of scientific knowledge that benefits mankind.

# Morari Bapu's Vision

Education is the manifestation of perfection already in man and the secret of life is not enjoyment but experiential learning which changes our mind-set and personality through development of positive attitudes.

Hanumant High School, a day and boarding co-educational CBSE English medium school had started with the blessings of Shri Morari Bapu on June 2011.

The school is based on the philosophy of:

- Overall development of a child's personality.
- A school matching global standards with indian values following the motto of **"Satya, Prem and Karuna" (Truth, Love and Compassion)**.
- Providing affordable quality education in Mahuva which aims at creating a fun and simulating holistic learning environment.
- Modern global education bearing its roots in the rich Indian cultural heritage so that there is a confluence of mind, body and soul thereby creating an enlightened cohesive school community.

# Management Team

Committed to giving people across India access to education and literacy, she is extremely passionate about her vision. It is through education that Ms. Rupal Kanakia wants to enable women and the youth of today to progress tomorrow.

Rupal  
Kanakia

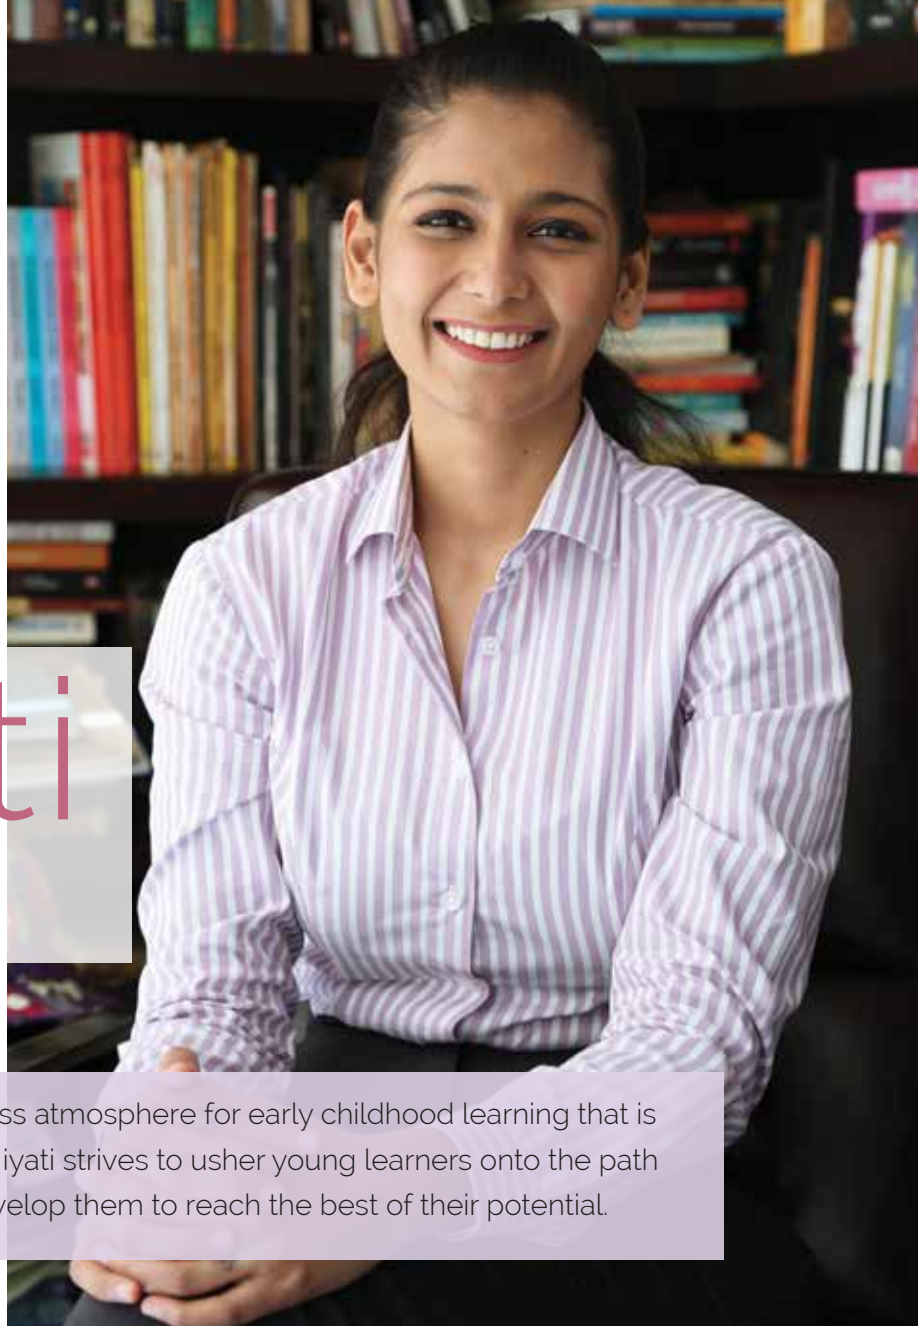

Chairperson, RBKEI

# Niyati

## Kanakia

Founder, Olive Trails

Determined to create a world-class atmosphere for early childhood learning that is balanced and encouraging, Ms. Niyati strives to usher young learners onto the path of learning eternal values and develop them to reach the best of their potential.

**Ms. Radhika Hariyani**  
Management Representative

Education makes a person grow professionally, personally and socially. At Hanumant High School we empower all students to embrace learning, achieve their personal best and build their emotional, social and physical well-being. The students are encouraged to imbibe the three valuable pillars of the school, “Satya Prem karuna” and have a positive impact on the people around them.

We encourage children to reach their individual potential, making them physically as well as mentally strong to face the adversities of life and allow individuals to achieve better possibilities in their career and personal growth.

Hanumant High School works to provide a range of learning opportunities to stimulate and challenge the individual needs of the students. We have a dedicated team of teachers with many years of expertise in their respective field of teaching. The teachers at Hanumant High school show a wholehearted readiness to groom our students.

“ Education is not the answer to the question.  
Education is the means to the answer to all questions.”  
- William Allin

**Mr. Thomas K.V**  
Principal

## Principal's Message

The name "Hanumant" itself is very sacred, significant, and invaluable. The motto of our school is 'Satya', 'Prem' and 'Karuna' – the three emphatic and pillar words of the school. This is the school which teaches 'truth', 'love' and 'compassion'. Everybody who belongs to Hanumant High School endeavors to live and lead the life of Awakening, Enlightenment, and Self- realization. We strive to follow what Albert Einstein said, "I never teach my pupils, I only attempt to provide the conditions in which they can learn." At Hanumant High School, we encourage the holistic development of every child by providing the right environment. The educators here use those teaching aids which tap into every child's potential. Last but not the least, as Socrates says, 'Teachers are the key to life because they really transform the dullards to rise', I take pleasure in pronouncing that Hanumant High School has a multitude of teaching and non-teaching professionals who strive to set new benchmarks to provide quality education to the learners and create a healthy work culture.

“The beautiful thing about learning is  
that no one can take it away from you”

- B. B. King
